

## Tennis Courts

- PP Tiles
- Synthetic Acrylic Flooring
- Artificial Turf

## Squash Courts

- Wooden Flooring
- Vinyl Flooring
- PP Tiles

## Kids Play Floors

- Artificial Turf
- EPDM Flooring
- Rubber Flooring

## Jogging Tracks

- PP Tiles
- Synthetic Acrylic Flooring
- Rubber Flooring
- Artificial Turf
- EPDM Flooring

## Athletic Tracks (Spike Proof)

- Spike compatible PUR tracks,
- Sandwich system,
- Spray system,
- Acrylic and Rubber flooring.

## Football Courts

- Artificial Turf
- PP Tiles

## Commercial & Industrial Flooring

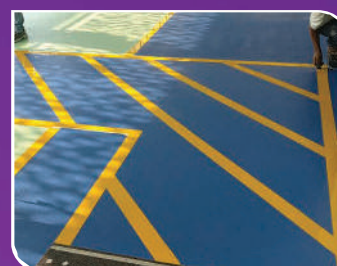

### RCC/PCC Underlay Floor Preparation

- RCC/PCC Floor Grinding
- Chemical Screeding
- Floor Hardening Treatments
- Floor Expansion Joints Sealing/Filling
- Floor Stabilization Treatments
- Self-Levelling Underlays

### MLCP - Car Parking Floor Systems (CPS)

- Textured Epoxy Resin based Car Parking Floors
- Textured Polyurethane (PU) Resin based Car Parking Floors
- Glossy/Matte Epoxy Resin based Car Parking Floors
- Glossy/Matte Polyurethane (PU) Resin based Car Parking Floors
- Sand Broadcasted Polyurethane (PU) resin based Floors for Ramps

### Commercial / Industrial Flooring

- Glossy/Matte Epoxy Resin based Flooring
- Glossy/Matte Polyurethane (PU) Resin based Flooring
- Polished Cement Floor
- VDF Flooring
- Acid Resistant Floorings

## Waterproofing Services

### DPC U-Joint Waterproofing

Innovative waterproofing treatment to stop capillary rise from ground level which results in paint flaking

### Basement Raft/Grade Slab Waterproofing

Wide range of waterproofing systems for basement:-  
Performed Membranes (PFM's) Waterproofing

- APP Membranes
- Self Adhesive Membranes (SBS)
- HDPE Membranes
- PVC/TPO Membranes
- EPDM Membranes

### Retaining Walls Waterproofing

Wide range of waterproofing systems for retaining walls:-

- APP Membranes
- Self Adhesive Membranes (SBS)
- HDPE Membranes
- PVC/TPO Membranes
- EPDM Membranes

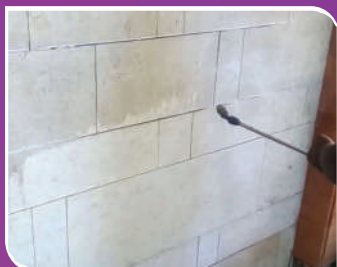

### Pile Cap & Pile Head Treatment

- APP Membranes
- Self Adhesive Membranes (SBS)
- HDPE Membranes
- PVC/TPO Membranes
- EPDM Membranes

### Cement Fibre Boards Waterproofing

Innovative Sprayable Waterproofing for Cement fibre boards to protect them from water absorption.

### Planter Boxes & Roof Gardens Waterproofing

Wide range of specialized anti-root waterproofing treatments for planterboxes and roof gardens.

### External Vertical Wall Waterproofing

Sprayable Waterproofing for:-

- Exposed Terracotta Brick Walls
- Exposed Laterite Brick Walls
- Cement Plastered Walls
- RCC/PCC Walls
- Terracotta Wall Claddings

Brushable Waterproofing for:-

- Cement Plastered Walls

### Wet Areas Waterproofing

Brushable & Sprayable waterproofing chemistries for:-

- Internal Toilet Walls
- Sunken/PCC/RCC Toilets Floors
- Work Areas
- Kitchen/Pantries
- Balcony Floors

### RCC/Pitched Terraces & Gutters Waterproofing

Wide range of chemistries for terrace waterproofing:-

- Pure Bituminous System
- Hybrid Bituminous System
- Acrylic Cementitious Systems
- Pure Acrylic Systems
- Fibre Reinforced Acrylic Systems
- Acrylic - PU Fibre Reinforced Systems
- Pure Epoxy Systems
- Polyamide Epoxy Systems
- Bituminous Coal Tar Epoxy Systems
- Aliphatic PU Systems
- PUD Protective Systems
- Pitch Modified PU System
- Pure PU System
- PU-Polyurea Hybrid Systems
- Polyurea Systems

### Repair, Rehabilitation & Retrofitting Systems

- Concrete Penetrating Corrosion Inhibitor Treatments
- Protective Coatings for Steel Reinforcements
- Anti Chloride treatments
- Anti Carbonation Coating Treatments
- RCC Structural Crack Treatments
- Fibre Wrapping System
- Reinforcement Coating & Protection

### Waterbodies Waterproofing

Wide range of chemistries for water retaining bodies waterproofing:-

- Ground Level /Elevated Swimming Pools
- Over Head Water tanks
- Underground Water tanks
- Sump Tanks
- STP Tanks
- Decorative Waterbodies ~ Fishpond, Lotus Pond etc
- Lift Pits

### Terracotta Roof tiles Waterproofing

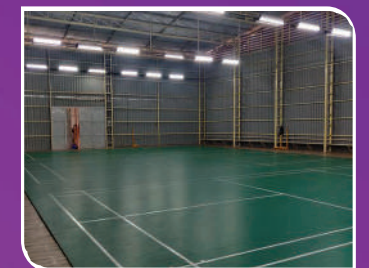

Innovative Sprayable Waterproofing for roof tiles to protect them from darkening due to aging & algae, fungal growth.

## Sports Flooring

### Badminton Courts – Indoor & Outdoor

- Wooden Flooring (Teak/Maple/Hevea)
- Vinyl Flooring (4mm/4.5mm/6.7mm)
- PP Tiles for Multisports
- Synthetic Acrylic Flooring (5 Layer/8 Layer System)
- Rubber Flooring(8mm rolls)
- Rubber Tiles
- Artificial Turfs

### Basketball Courts – Indoor & Outdoor

- Wooden Flooring
- Vinyl Flooring
- PP Tiles
- Synthetic Acrylic Flooring
- Rubber Flooring
- Artificial Turf

### Volleyball Courts - Indoor & Outdoor

- Wooden Flooring
- Vinyl Flooring
- PP Tiles
- Synthetic Acrylic Flooring
- Rubber Flooring
- Artificial Turf
